This is to formally notify you that basic safety protocols, as repeatedly communicated, continue to remain unimplemented at site despite multiple follow-ups and reminders from our team.

This persistent non-compliance is unacceptable and constitutes a serious breach of agreed safety standards and contractual obligations. Our previous communications clearly outlined the required corrective actions; however, there has been no satisfactory improvement observed to date.

You are hereby instructed to take immediate corrective action and ensure 100% compliance with all mandatory safety protocols with immediate effect. A written confirmation along with evidence of compliance must be shared with us by **06.02.2026**.
